MORTISE & TENON FRAME ONLY & MULLION DOORS

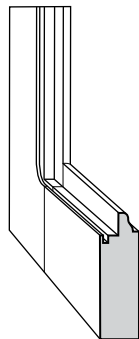

Glass doors selected with 9 lite mullions are only available over 14 3/4\"/>

MITRED DOORS

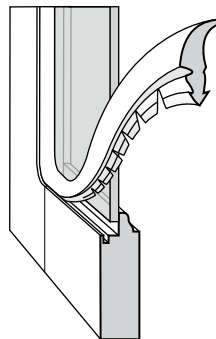

NOTE: Mitred rail M1 & M2 are also available in 4 lite, 6 lite, and 8 lite mullion doors as well as frame only. All other mitred doors are available as frame only.

Doors Machined for Glass...

Mortise & Tenon Wood Doors are available in all 5 glass doors styles. The frame is machined to accept up to a 3mm to 6mm glass panel.

Glass Door Retainer Gasket...

All glass doors are machined with a channel to accept a rubber gasket. This gasket gives a firm clean fit to the door and glass panel.
